EDUCATION & TRAINING NEWSLETTER

UNITED WAY

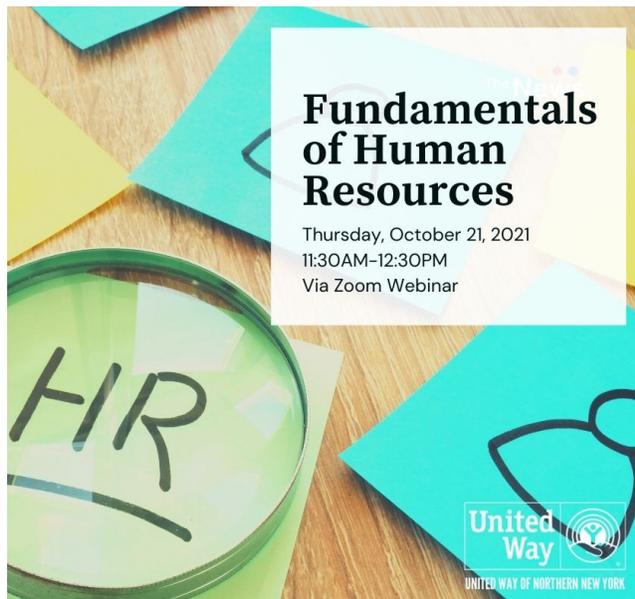

of Northern New York

We are excited to share the 3rd edition of the new bi-weekly Education and Training newsletter!

Last week the UWNKY kicked-off a pilot program designed to support rising leaders! The Leadership Learning Circle meets weekly for seven weeks and explores what it means to practice "daily acts of leadership". Our goal is to bring together a small group of leaders and create community, share experiences, and hold space for further development of foundational leadership practices. **Interested in joining the next cohort?** Please email us at tanya.eastman@unitedway-ny.org.

As we round the bend to the fourth quarter of 2021, the team at United Way of Northern New York is working on a 2022 vision for Education and Training that will support clear areas of capacity building. What would you like to see in 2022? Please share your thoughts @ [NCCNE Feedback](#).
